Total Leads by Month

Key Insights

- Total leads generated were around 8K, but only 842 converted into closed deals.
- The largest drop-off occurred between Qualified Leads and Contacted Leads.
- Certain lead sources contributed significantly more leads than others.
- Monthly trends show fluctuations in lead acquisition performance.

Recommendations

- Improve lead nurturing strategies to reduce funnel drop-offs.
- Focus marketing efforts on high-performing lead sources.
- Optimize qualification processes for better conversion.
- Implement retargeting campaigns for unconverted leads.
